OR CURRENT LIBRARIAN

## Purpose of the Award

The purpose of the *Pennsylvania Young Reader's Choice Awards Program* is to promote reading of quality books by young people in the Commonwealth, to encourage teacher / librarian collaboration and involvement in YA and children's literature, and to honor authors whose works have been recognized by the students of Pennsylvania. The program is sponsored by the Pennsylvania School Librarians Association.

## Guidelines for Participation

Participation in the Pennsylvania Young Reader's Choice Awards Program is open to all students who are attending public or private schools or are enrolled in a certified home study program in grades K-12.

The school library/media specialist may be the sponsor of the award program in a school; however, any teacher or administrator may act as sponsor.

1. Obtain the support and authorization of the principal.
2. Provide information about participating in the award program to teachers, students and parents. See additional tips in the "Ideas for Promoting the Award" section.
3. Be familiar with the books included in the master list and check that they meet book selection criteria for your district or school.
4. Have as many of the titles available as possible. **It is not necessary to purchase every book on the list to participate in the program.** Purchasing multiple copies may encourage additional student involvement. Many books on the list are available in paperback.
5. Begin the program at the start of the school year, or plan ahead and include PYRCA titles on summer reading lists.
6. In order to qualify to vote, students must either **read or have listened** to at least **3 books** from the list. Students have until March 1 to read the books.
7. Provide ballots in early March so students may vote for their favorite book.
8. Participating libraries and schools should tally the votes and send the results to the Pennsylvania Young Reader's Choice Award Committee by **MARCH 31**. Please be sure to send the number of votes **each** book received, not just the winning book at your school.

Submit votes to THE ONLINE VOTING REPORT FORM at **[tinyurl.com/pyrca-vote](http://tinyurl.com/pyrca-vote)** OR the Voting Report Forms at the center of this booklet OR download the form from the PSLA website ([www.psla.org](http://www.psla.org)).

9. A certificate will be awarded to each participating school.

## Criteria for Consideration

Titles to be considered for the master reading list are generally nominated by the Pennsylvania Young Reader's Choice Awards Program Committee, but nominations may be submitted by students, teachers, librarians, parents or anyone who is interested in promoting reading.

Each book must meet the following criteria:

1. It must have an original copyright date within five years of the award's presentation.
2. It must be written by an author currently living in North America.
3. It must be appropriate to the interest, reading and grade level of those students in each grade strand: K-3, 3-6, 6-8, and 9-12.
4. It must receive positive reviews from recognized published sources.
5. It may be any genre: fiction, informational, or poetry, but not anthologies of collected works of multiple authors.

Send nominations to:

The Pennsylvania Young Reader's Choice Awards Program Committee  
2750 Old Orchard Rd.

Lancaster, PA 17601

or post to the Pennsylvania Young Reader's Choice Awards wiki:

<http://pyrca.wikispaces.com>

Please include your name, address, and professional position.

## Ideas for Promoting The Pennsylvania Young Reader's Choice Award

### Librarian-Teacher Activities

- \* Promote books in the program! Book talk scripts and online presentations for you to copy and use are available at [pyrca.wikispaces.com](http://pyrca.wikispaces.com)
- \* Look at the PSLA Web page for more information and links to authors.
- \* Have students do author studies.
- \* Read the books aloud to students and encourage teachers and parents to do the same.
- \* If your school has a book fair, include the books in the program.
- \* Give teachers the charts (available on the Web site) and wiki to make record keeping easier.
- \* Suggest these books to students and teachers as possible book reports and/or summer reading lists. Perhaps teachers could require students to read one title from the list.
- \* Collaborate with public librarians to promote the program.

### Student Activities

- \* Have students help promote PYRCA books by creating Public Service Announcements (PSAs), QR codes, Prezis or PowerPoints
- \* Combine the program with other commercial reading programs, Reading Olympics, Battle of the Books or your summer reading program.
- \* Have students write reviews for the school newspaper, your Web site or blog.

### General Activities

- \* Create a bulletin board or display promoting our state award.
- \* Link book trailers for PYRCA books to your online catalog.
- \* Send information home about the program through the parent newsletter, and be sure to post the appropriate grade level lists on the library or classroom Web pages.
- \* Suggest these books as presents for birthdays, the holidays or any time.
- \* Include these titles on your library or classroom wish list.
- \* Use masters included in this brochure to make bookmarks with PYRCA titles.
- \* Write a mini-grant to help fund the PYRCA program at your school.
- \* Create a display by copying/scanning the book jackets. Include a QR code that links to a Web site about the book or the author next to the jackets.
- \* Consider shelving the books in a special area and/or marking the spines with colored stickers.
